The Bentley Park College P&C Association executive and members reserve the right to review amend or withdraw funding at their discretion.

Bentley Park College Parent & Citizens Association

Student Sporting Representation/Assistance Policy

The Bentley Park College P&C Association offers financial support to students who are selected through their school activities, and plan to play, representative sport at a Peninsula, State or National level.

- Peninsula representation: \$50
- State representation: \$100
- National representation: reviewed on an individual basis

Due to large enrolment numbers at the College, the P&C has adapted a policy that best suits the allocated monies from the annual budget.

- A 'Request for Funding Assistance for Student Representation' form must be completed, along with a letter outlining anticipated costs for the event.
- This must be emailed to bpcpnc@bigpond.net.au.
- Applicants are advised to apply for the funding at least 30 days before the event.
- The funding is intended to assist students with the expenses of attending school/community events, and is not to be used for any other purpose.
- On completion of the event, the student must attend a P&C meeting to share their results and experience of their trip.
- The Bentley Park College P&C Association executive and members reserve the right to review, amend or withdraw funding at their discretion.
