### Parent/Carer Experiencing Financial Difficulties

1. If a parent/carer participating in a payment plan experiences financial hardship they are encouraged to contact the Business Manager Finance to discuss how their financial obligations can be met throughout the school year, or to negotiate alternative arrangements that may be available to accommodate their individual circumstances. All discussions will be held in the strictest confidence.
2. The onus is on the parent/carer to provide evidence of being affected, which may include a current Health Care Card or other evidence of financial hardship. Any concessions to the participation fee will be at the discretion of the Principal.
3. Payment of the payment plan is to be made according to the payment arrangement option as indicated.
4. Non-payment of the scheduled payment plan by the designated payment amount/s will generate a reminder notice to the parent/carer from the school at intervals of 30 days overdue and 60 days overdue. The Principal may thereafter undertake debt recovery action for the overdue participation fee including, where warranted, referral to an external debt collection agency. This may result in extra costs being incurred by the parent/carer.
5. Subject to 4. above, the College Principal may withdraw a student's participation in any scheme due to non-payment of a participation fees that a payment plan may cover. Where participation fees are overdue, the College Principal may exclude a student from an optional extra-curricular school activity.
