Examples

I can cut paper with ease.
I don't have a pointy end.

I can be easily applied
and will stick correctly.

I usually do not break when
sharpened and I do not have
an eraser on the end.

I find it easier to colour neatly and
doesn't break as easily. Easier to
sharpen. Long lasting.

I can be used at my desk without
disrupting my learning.

I can hold everything I need and do
not take up much space.

I am easy to use and I can do neat
colouring in.

Non-examples

I find it harder to
cut my paper.

It does not stick very well and hard to
apply. Students become extremely
frustrated and work falls out of books.

Has an eraser on the end
and breaks continually
when I sharpen it.

I break easily when trying to colour
and am hard to sharpen. I need
replacing more often.

Students need to get out
of desk to use or end up
with a very messy area.

I am too big for my desk.

Not as neat to colour with
and I break easily.
