The Bentley Park College

P-12 Study Centre Homework Club

Tuesday afternoons from 3.30 pm to 5.30 pm

7-12 John Porter Library

The BPC Study Centre was established to assist students in reaching higher levels of educational attainment and hence better quality of life for themselves and their families.

The Study Centre is open to all students from P-12 at Bentley Park College at the 7-12 JP Library. Students will be given time to work on assignments, access computers for research and task completion and if needed, be given exercises to help develop further their levels of literacy and numeracy.

We have a simple approach at the Study Centre. There are no academic requirements, with the only admission criterion being that students must be willing to work so we do not have to waste time on behaviour management.

The cost to parents is zero and the Study Centre will operate from 3.30 pm to 5.30 pm on Tuesday afternoons. Once students arrive they are not allowed to leave until 5.30 pm. Early departures require their parent or carer to collect them from the library. Parents are welcome to drop in and see how we operate! Ms Bec Sariago is the coordinator for the Homework Study Centre.

As a general rule, the higher your level of education is the higher your income is. There are of course people who have done well with little education, but they are fewer in our increasingly complex society than in previous times. Also, generally speaking, the higher your income, the better the quality of life that you and your family can enjoy.

If you wish your student to attend the Study Centre in 2015 then please fill out the form below, sign and return to the College. Please be prompt in picking up your student at 5.30 pm.

Tanya Findlay
Deputy Principal
Student Services 7-12

Stuart Edwards
Head of School 7-12
