Principal’s Response to Advisory T&L Audit 30 / 31 October

The Executive Leadership Team of the College concurs with all of the findings of the audit; commendations, affirmations and recommendations.

The majority of recommendations from the audit are already identified in the College’s Improvement agenda and will continue to be actioned in 2013.

The issue of alignment will be addressed through the formation of representative p-12 teams to work across the college in the areas of literacy & numeracy, teaching and learning, behaviour and attendance. The coaching and supervision systems across the college will also be a focus for alignment.

Priorities 2013

- Literacy and Numeracy
- Student Engagement
  - Attendance
  - Participation
- Explicit Teaching
- P-12 Alignment
- SWPBS
- Data based decision making
- Student Pathways
- Community Engagement
