Student Resource Scheme 2016

In accordance with the Education (General Provisions) Act 2006, the cost of providing instruction, administration and facilities for the education of students enrolled at State schools who are Australian citizens or permanent residents, or children of Australian citizens or permanent residents, is met by the State.

Parents/carers are directly responsible for providing textbooks and other personal resources for their children while attending school.

In recognition that these costs can be high, the College operates a Student Resource Scheme that enables a parent / carer to enter into an agreement with the school that, for a specified annual participation fee, provides for the temporary use by the student of prescribed textbooks and / or other resources, and/or the purchase of consumables and materials for the student.
